

**Transition for September 2024 - Meet the teachers!**

**Miss Rastall**

**Tell us a little about yourself...**

I grew up and still live in Newark, Nottinghamshire. I attended the University of Lincoln to study psychology, then completed my PGCE in Primary Education at Bishop Grosseteste University. I absolutely love anything Disney and musicals! I am a member of Newark Amateur Operatic Society and perform in shows every year. I also love to take our family dog George- who is now 13 for gentle strolls around the park. I am so excited to begin my teaching career, I have worked really hard throughout my university studies and can't wait to start at Poplar Farm School!

**How long have you worked at Poplar Farm School?**

I will be joining the fantastic Poplar team in September - I cannot wait!

**What is your favourite thing about working with children?**

I love to hear the children's wonderful stories and ideas that come from their vivid imaginations. It is also amazing to see the genuine pride on children's faces when they achieve something great!

**Tell us something not many people know about you**

I have worked on a summer camp in Pennsylvania USA and then solo travelled around California and New York!

**Tell us a joke -**

Q. What kind of dog does a magician have?  
A. A labracadabrador!
