

**Transition for September 2024 - Meet the teachers!**

**Mr Goodchild**

**Tell us a little about yourself...**

I grew up in Norfolk where I lived until I was 19 where I developed a love of sailing and other water sports!

I live with my lovely wife and two rabbits, Bucky and Stew who keep us on our toes!

I have lived in Lincolnshire for the past 10 years after moving here for University. I have worked in a few different fields before becoming a teacher and have loved every day doing it since.

I have a great love of music, so watch out for badly sung songs!

**How long have you worked at Poplar Farm School?**

I started just after Christmas last year!

**What is your favourite thing about working with children?**

No two days are the same and you get to watch these young people grow every year and become the best versions of themselves!

**Tell us something not many people know about you:**

I can hum and whistle at the same time!

**Tell us a joke -**

Can a kangaroo jump higher than a house?

Of course, houses can't jump!
