

Transition for September 2024 - Meet the teachers!

Miss Costall

Tell us a little about yourself...

I was born in Lincolnshire and have always lived here. I have always lived in the countryside and have always enjoyed spending time with my family and friends.

I have three crazy brothers who are very energetic and keep me busy! I also have a labradoodle dog called Bear who loves to go on adventures and long walks in the countryside.

I have always wanted to be a teacher, ever since I started primary school myself so when I got the opportunity to teach at Poplar Farm I was very excited. I feel very lucky to be able to be a part of our welcoming school community at Poplar Farm.

How long have you worked at Poplar Farm School?

I have been at Poplar Farm since September 2023. I have taught in Year 2 and I will be teaching Reception from September 2024 which I am very excited for.

What is your favourite thing about working with children?

I absolutely love working with children and I feel very lucky to be part of the Poplar Farm family. Every day is different and brings new and exciting learning opportunities for the children.

Tell us something not many people know about you

Every year I take part in Race For Life running and raising money for Cancer Research UK.

Tell us a joke -

What do you call a dinosaur that is sleeping? A dino – snore!
