

Transition for September 2024 - Meet the teachers!

Miss Mason

Tell us a little about yourself...

I grew up in Lincolnshire and whilst at secondary school, I developed a keen interest in sports. I still love to sail (when I get the opportunity to) and I used to coach football. After going to University and studying Sports Science, I decided to take up a career in teaching. I'm now in my ninth year and haven't looked back!

During the school holidays I'm mostly outdoors walking with Lola, my 3-year-old Cockapoo. We love scoping out new places to explore – our favourite being the Lake District!

How long have you worked at Poplar Farm School?

4 years

What is your favourite thing about working with children?

Children are vibrant, curious, and joyful. There's never a dull moment and no two days are the same!

Tell us something not many people know about you

I'm a quarter Danish - Hej, jeg hedder Miss Mason!

Tell us a joke -

Why couldn't the skeleton go to school?
... His heart just wasn't in it.
