Last week the children started their new topics with great enthusiasm, and they are looking forward to all the summer term events we have planned!

Article 31 - Right to take part in a wide range of activities

It will be wonderful for our school to be at full capacity in September! We have several new teachers joining us, so we have created a website page where you can find more out about the teaching staff. The website page can be accessed [here](#).

Article 17 - Access to information

A General Election is taking place on Thursday 4 July. School must be used as a polling station, which means we will be closed, and children will be provided with online learning for the day.

Attendance

Last week Class 1T had the highest attendance with 98.9%. Well done!

The whole school attendance for the week was 93.6%, which means the attendance for the year has fallen to 95.2%.

Good attendance is essential for pupil wellbeing and academic progress. We aim for our attendance to be above 97% and hope you can help us meet this target.
