

This term at Poplar Farm...

This term, Year 1 are hoping to improve our outdoor area; planting seeds to encourage butterflies, insects and wildlife!

Earth day this year is all about investing in our planet - what could you do to help protect the planet? We will all make pledges in our classes!

Eco-Warriors will continue their work on our outdoor area this term - hoping to complete the bug hotel!

Upcoming Events

22.4.22 - Earth Day

16.5.22 Compost week

16.5.22 - Walk to school week

How you can help...

If you have any of the following available for donation:

- straw
- old roof tiles
- seeds

Reminders

SAVE WATER

Take a short shower, use a water butt to water plants, turn the tap off when brushing your teeth.
