

Poplar Farm Weekly Newsletter

Monday 18 March 2024

Thank you to everyone who supported our fundraising in school for Comic Relief last Friday. We will inform you how much was raised when all donations have been totalled.

Article 31 - Right to take part in a wide range of activities

Please ensure all children have the correct uniform for school. We have a large number of pre-loved items for sale at the school office, which can help reduce the cost of uniform items. Children should also have their hair tied up or wear a headband to keep their hair off their face and reduce the risk of spreading head lice. Thank you!

Article 18 - Responsibility of parents

Monday 15 April - Swimming pool on site

Tuesday 16 April - Y5 Bikeability lessons

Wednesday 17 April - Syria, Independence Day

Friday 19 April - 3.15pm FoP Treat sale

Attendance

Last week Class 3G had the highest attendance with 98.7%. Well done!

The whole school attendance for the week was slightly improved at 95.5%, which means the attendance for the year has remained at 95.3%.

Good attendance is essential for pupil wellbeing and academic progress. We aim for our attendance to be above 97% and hope you can help us meet this target.

Article 28 - Right to an education

FoP

Tickets for the discos are available to buy on the ParentMail app. Tickets cost £2.50 each. Poplar Pioneers will still be open for the evening, but staff led after school clubs will not be running.

The timings for the discos allow for a gap between each one, enabling a smooth handover to parents / carers before the next disco begins.

Article 31 - Right to take part in a wide range of activities

WORD Day

WORD day (World Young Rheumatic Diseases) is an annual event that takes place on 18th March. The aim of the day is to raise awareness and knowledge to help first and foremost in early diagnoses, and a quick referral to specialised paediatric rheumatologists.

One of our children in Class RB will be handing out stickers and bookmarks to her class and doing a little talk on juvenile idiopathic arthritis and uveitis.

WORD Day hopes to spread the word that children and young people get rheumatic diseases too. To find out more, please visit the official WORD [website](http://www.wordday.org).

Article 24 - Right to the best possible health
