

Transition for September 2024 - Meet the teachers!

Miss Akhrass

Tell us a little about yourself...

Hi I'm Miss Akhrass I'm 24 and I am in my second year of teaching and will be in my third year in September. I have lived in Grantham most of my life and studied at Leeds Beckett University.

I completed my teacher training in EYFS but have been teaching in KS2 since. I have spent time in various childcare settings such as nurseries and pre schools and I have also worked at a summer camp in America.

I have one puppy called Luna; she is a lunatic but we love her! She is 7 months old and keeps us really busy at home.

How long have you worked at Poplar Farm School?

I am so excited to start teaching at Poplar Farm in September, I am currently working in another school within the trust.

What is your favourite thing about working with children?

I love that no day is the same! I am passionate about ensuring children are having the best possible start to their educational journey.

Tell us something not many people know about you

Me and my boyfriend have a rare 50p collection.

Tell us a joke -

Why do witches wear name tags?
So you know which witch is which.
