

This term at Poplar Farm...

Our new Eco- Warriors have been selected and are ready to support our school in becoming greener this year!

Our outdoor classroom is in the process of being built. This will help us to enjoy the outdoors even more!

There will be a tree delivery soon. Eco Warriors will help us to plant more trees to improve our school environment.

Good News!

Our uniform donation has made it to Kamawornie, Sierra Leone. Thanks to Develop Africa for delivering it all.

How you can help...

- Make sure you are re-using and recycling!
- Could you walk to school?

Reminders

LITTER

Please make sure snack wrappers, milk cartons and food waste go into the correct bins.

Follow our journey
