

Transition for September 2024 - Meet the teachers!

Mrs Anderson

Tell us a little about yourself...

I have been a teacher for 6 years, working at a school in Derby before coming to Poplar Farm.

I'm a dog mum to Brodie and love taking him for long walks in the countryside. I also love exploring the world, experiencing and learning about different cultures.

In my spare time I enjoy doing my nails, experimenting with different designs.

I love cooking and trying new foods, my favourite is Thai. I'm also never far away from a coffee!

How long have you worked at Poplar Farm School?

I have been teaching at Poplar Farm for 4 years.

What is your favourite thing about working with children?

I love the curiosity and creativity children bring to school every day. Being part of their learning journey is a privilege.

Tell us something not many people know about you

I have been inside Buckingham Palace for a garden party!

Tell us a joke -

Q. Why wouldn't the crab share his sweets?

A. Because he was too shellfish.
