

Transition for September 2024 - Meet the teachers!

Mrs Buckley

Tell us a little about yourself...

I am originally from Bedfordshire but have lived in Lincolnshire for the last thirteen years.

I have two amazing children aged 4 and 7 who me and my husband love to go on adventures with outside of school! We all live with a dog called Bella, a puppy called Elvis and a parrot called Hugo who likes to sing to me when I am working at home!

I have been working in education for over twenty years and have worked in a mixture of different schools where I have taught children from Reception to Year 6. I really enjoy getting to know the children I work with and helping them to be the best they can be.

How long have you worked at Poplar Farm School?

I have been working at Poplar since March 2020 where I have worked with children across the school in my roles as both a class teacher and, more recently, as Deputy Headteacher and Designated Safeguarding Lead.

What is your favourite thing about working with children?

Working with children is such a privilege! I really enjoy getting to know each child's unique personality and supporting them to develop both academically and also socially and emotionally. When you work with children every day is an adventure and it's absolutely the best job in the world!

Tell us something not many people know about you

I can snowboard!

Tell us a joke -

Q: Why was the dog sweating so much?

A: She was a hot dog!
