

Transition for September 2024 - Meet the teachers!

<p>Miss Jefferis</p> 	<p>Tell us a little about yourself...</p> <p>My name is Miss Jefferis. I was born in Worcestershire where, until recently, I lived with my Mum, Dad, sister and two (very cute) dogs called Molly and Dottie! Last year, I relocated to Leicestershire to live with my partner.</p> <p>I trained to be a teacher in Liverpool, where I studied for 3 years at university. Liverpool is my favourite city in the UK!</p> <p>I remember deciding that I wanted to be a teacher when I was in Year 6 and I think that being a teacher is the best job in the world!</p>
<p>How long have you worked at Poplar Farm School?</p> <p>I am very excited to be joining Poplar Farm as a teacher in September - I will be in my third year of teaching.</p>	
<p>What is your favourite thing about working with children?</p> <p>Children make me smile and laugh every day! Watching them grow into kind, confident and independent young people, that feel inspired and motivated by the things that they learn, is the best thing about being a teacher.</p>	
<p>Tell us something not many people know about you.</p> <p>I LOVE reading and I am a complete book worm... so far this year I have read 16 books!</p>	
<p>Tell us a joke -</p> <p>Q. Why was the maths book sad? A. Because it had too many problems...</p>
