

Transition for September 2024 - Meet the teachers!

Mrs Dowling

Tell us a little about yourself...

I grew up in a village near Grantham with my family. I studied Early Childhood Studies at university and then completed my teacher training.

When I'm not at school I love to read, bake and go on walks in the countryside with my husband. I also like growing flowers in my garden; sunflowers are my favourite!

I did musical theatre in secondary school, and I still love going to see shows and musicals whenever I can.

I have always known I wanted to work with young children and feel very lucky to be a teacher!

How long have you worked at Poplar Farm School?

I started at Poplar Farm in September 2019 - this will be my sixth year teaching at our amazing school!

What is your favourite thing about working with children?

I love that every single day the children make me smile - no day is a dull day! Watching little people discover the world and their own passions for learning is a true privilege.

Tell us something not many people know about you

I grew up on a farm and relish every chance to get the children outdoors!

Tell us a joke -

Q. Why is Cinderella bad at football?

A. Because she runs away from the ball!
