

**Transition for September 2024 - Meet the teachers!**

**Miss Ash**

**Tell us a little about yourself...**

I have spent most of my life in Lincolnshire except for when I was at University - I lived in Scarborough for 3 years whilst training to be a teacher! I have now been teaching for 8 years and absolutely love it.

I have recently started learning to play the piano and can almost play recognisable songs! I share a chocolate labrador called Rosie who I love to take on walks.

I have always been very interested in performing - drama, music and dance - and I participate in these whenever I get the chance.

**How long have you worked at Poplar Farm School?**

I have worked at Poplar Farm School since April 2022, so just over 2 years.

**What is your favourite thing about working with children?**

Working with children makes me smile everyday. I love to laugh and joke with the children and see them grow through the years. I also love seeing the progress made over the school year and how much the children change and mature. Everyday is different and I wouldn't want to do anything else!

**Tell us something not many people know about you**

I know every word to the musical 'Hamilton' and to the Disney film 'Mulan'.

**Tell us a joke -**

Q - What do you call a fly without wings?

A - A walk!
