

Transition for September 2024 - Meet the teachers!

Mr Wowk

Tell us a little about yourself...

I have been a teacher for over 6 years and really enjoy being in the classroom. Before I became a teacher, I studied business working for a company selling electronics but wanted to have a job that made a difference!

I love both watching and playing football! I have a season ticket for Nottingham Forest and play football on both Tuesdays and Fridays.

How long have you worked at Poplar Farm School?

I have worked at Poplar for 2 years in September and loved every moment!

What is your favourite thing about working with children?

I enjoy building positive relationships with children, allowing them to grow in all areas of school life.

I also like that I can have a lasting impact on their lives supporting them with learning skills that they can use as they get older.

Tell us something not many people know about you

I studied Spanish at A-Level and enjoy using this when I travel. I am also part Ukrainian!

Tell us a joke -

Did you hear about the scarecrow that won an award.....he was "out-standing" in his field!
