

**Transition for September 2024 - Meet the teachers!**

**Miss Rogers**

**Tell us a little about yourself...**

My family and friends are my whole world. My sister is my best friend, and she shares my love of Disney. Our happy place is DisneyWorld, Florida.

I have recently bought my first home with my boyfriend, but I still pop home to see my Mum, Dad, sister and cocker spaniel Bailey, thankfully they only live down the road.

This will be my 6<sup>th</sup> year teaching and I am grateful and feel privileged to have the most rewarding job in the world. If you walk past my classroom, you will see me dancing or singing, as I believe every day should be full of joy while learning.

“All you need is faith, trust, and a little bit of pixie dust”

**How long have you worked at Poplar Farm School?**

This is my first year at Poplar Farm and I cannot wait to get started and be part of the Poplar Farm family!

**What is your favourite thing about working with children?**

Being the children’s champion and ensuring they leave school every day feeling empowered. I feel a sense of pride when the children suddenly get that ‘light bulb moment’ knowing that something has clicked and the joy on their faces when they have achieved this. Always supporting every child to the best version of themselves and putting them at the heart of everything I do.

**Tell us something not many people know about you**

I was a pupil at KGGs and from the age of 4 I was part of the Grantham School of Dance family, up until I left to complete my first degree in Dance. If you think I’m not focussed, in the years between my initial degree and my teaching degree, I was a dispensing assistant at Specsavers.

**Tell us a joke -**

Q. What was Tigger doing looking down the toilet?

A. He was looking for Pooh.
