

# Spring 1—What would it be like to live in Nigeria?

## Key Events and Facts

Where is Nigeria?	Nigeria is a country on the western coast of Africa. Africa borders the southern half of the Mediterranean Sea. The Atlantic Ocean is to the west and the Indian Ocean is to the Southeast. Africa stretches well south of the equator to cover more than <b>12 million square</b> miles making Africa the world's second largest continent.
What is the climate like in Nigeria?	<b>Nigeria's climate</b> is tropical with some dry and rainy seasons depending on location.
What is the population of Nigeria?	Nigeria has the highest population of all the countries in Africa. The population is approximately 225,954,000 (2021)
What is the capital of Nigeria?	The national capital is Abuja, in the Federal Capital Territory

## Key Vocabulary

<b>Continent</b>	A large landmass. There are 7 in total in the world: Asia, Africa, Europe, North America, South America, Antarctica, Australia
<b>Country</b>	A state, nation that it controlled. Usually by its own Government.
<b>climate</b>	The average weather conditions in an area over a long period of time.
<b>classify</b>	To arrange into groups or categories.
<b>habitat</b>	A place where animals live.

## Literacy key texts

Meerkat Mail

Lila and the secret of the Rain

Africa, Amazing Africa

## Science

- I identify things that are living, dead and never lived.
- I know how a specific habitat provides for the basic needs of things living there (plants and animals).

## Topic

- I can name the continents of the world and locate them on a map.
- I know what I like and do not like about a place that is different to the one I live in.
- I describe a place outside of Europe using geographical words.
- I can describe hot and cold areas of the earth in relation to the equator and the poles.

## Creative

- I know how to create a printed piece of art by pressing, rolling, rubbing and stamping.
- I describe the ingredients I am using.

## PE

Fitness and gymnastics

## Maths

### Multiplication and division:

- Recall multiplication and division facts for the 2, 5 and 10 times table
- Calculate mathematical statements and write them using the multiplication ( $\times$ ), division ( $\div$ ) and equals (=) signs
- Solve problems involving multiplication and division, using materials, arrays, repeated addition, mental methods, and multiplication and division facts

### Fractions:

- Recognise fractions of shapes  $\frac{1}{2}$ ,  $\frac{1}{4}$ ,  $\frac{3}{4}$ ,  $\frac{1}{3}$
- Recognise fractions of amounts e.g  $\frac{1}{4}$  of 20 = 5

### Statistics:

- Interpret and construct simple pictograms, tally charts, block diagrams and table
- Ask and answer simple questions by counting the number of objects in each category and sorting the categories by quantity

### Shape:

- Recognise 2D shapes using the correct terminology (vertices and edges or sides and corners)
- Recognise 3D shapes using the correct terminology (edges, faces and vertices)
