

## Transition for September 2024 - Meet the teachers!

**Mrs Bamford**

### **Tell us a little about yourself...**

I have been teaching since September 2017 and have loved every year of it! I started teaching in Surrey (near London) for a couple of years before I moved back to Lincolnshire.

My absolute favourite thing to do is go on walking holidays with my husband and our two dogs - Albie and Bear. I absolutely love music (although I can't play any instruments... 😞) and I try to go to concerts as much as I can!

### **How long have you worked at Poplar Farm School?**

I started working at Poplar Farm School in September 2023 and can confirm - it is the best!

### **What is your favourite thing about working with children?**

I love working with children because they teach me something new every single day. No two days are the same and every child and every class has a different personality, which I love! When I reflect on the progress the children in my class have made at the end of each year, it is such a good feeling and I am always so proud. They also always manage to make me smile!

### **Tell us something not many people know about you**

In 2019, I walked halfway up a mountain with 30 Year 6 pupils! We ate lots of sweets to keep us going. We got a cable car right to the very top of the mountain the next day and it was extremely cool!

### **Tell us a joke -**

- Why did the kid always sit in his wardrobe when reading a book?
- Narnia business!
