

Transition for September 2024 - Meet the teachers!

Miss Fairbrother

Tell us a little about yourself...

I have lived in Lincolnshire all my life and I spent 4 of those years studying at university in Lincoln.

I always knew I wanted to be a teacher from the age of 6 and have worked towards achieving that goal ever since.

I am very close with my family; I have a dog which is a Lhasa Apso and Shih Tzu cross called Bear and he is adorable. I love taking him on walks as I love being active, I also love running and playing badminton with my brother. My favourite things to do in my free time is go to concerts or theme parks!

How long have you worked at Poplar Farm School?

I will be starting my teaching career at Poplar Farm after qualifying in 2023 and previously doing supply teaching so I am very excited to be joining such a nurturing and inspiring school.

What is your favourite thing about working with children?

I love how every day is different and watching them grow into amazing individuals who can achieve anything they set out to accomplish. I also love seeing how excited they get and watching their faces light up as we learn new things.

Tell us something not many people know about you

I am a brown belt in Jiu-Jitsu, I trained for many years and stopped when I went to university but would love to take it back up one day.

Tell us a joke -

Q. What do elves learn at school?

A. The Elf-abet!
